

St Patrick's JNS Active Week June 15th – June 23rd

As an Active school the parents' role is important in their children's fitness levels therefore parents are being **invited** to show your participation in a **fun run/walk around the Astro pitch at Corduff Sports Centre on Friday 17th June at 9.25**. All classes will be taking part and you can run/walk alongside your child with their class as they complete 3 laps together.

The children will be doing lots of outdoor activities and sports for the week therefore we ask that

- Children wear appropriate footwear and tracksuits.
- Active homework replaces written homework this week and the children are aiming for 60mins daily!
- Please ensure your child has their sun cream on and a water bottle to school each day
